# SUMMER HOLIDAY HOMEWORK CLASS III

# "The holiday season is a perfect time to reflect on blessings and take out ways to make life better for those around us".

Summer vacation is the most awaited time for both kids and parents. However, this time it is different as kids are not attending school. It becomes all the more important to keep them active. We have tried to keep "Summer Holidays Homework" simple and informative but interesting as well, so that kids love to spend their time in completing it.

Here are few suggestions for parents:-

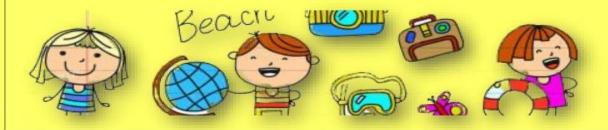

- Make sure that you are spending quality time with your wards amidst this tensed environment. It is very important to keep their anxiety at minimum.
- Giving them small responsibilities in household chores will aid them to be independent.
- Teach them the importance of moral values in their life.
- Keeping in view the prevailing situation, indulge yourself in various indoor games with them.

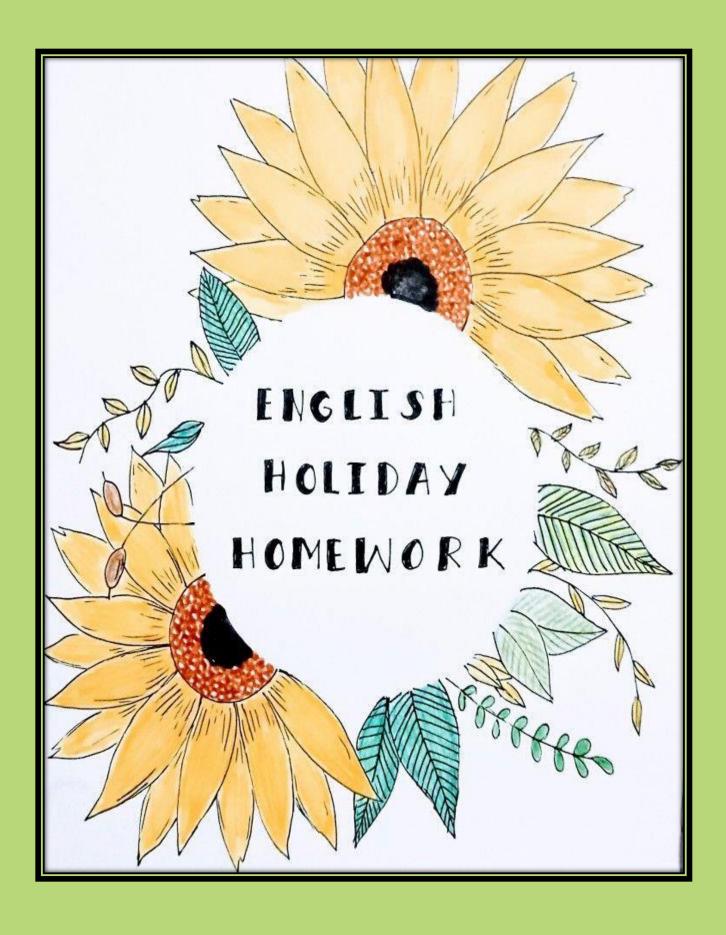

We cannot overlook the fact that the Summer Holidays are the time to relax and revive. While the entire world is struggling hard in recovering from the pandemic COVID-19, we together will have to make it sure that our youth is least effected from the panic around. So, make these holidays memorable for them by providing a nurtured and stimulated environment at home which is full of fun, excitement, and learning.

### Please note:

- ✓ Use resources (rough notebook, ruled/coloured sheets) only which are available at home to complete all Holidays Homework.
- ✓ Prepare a systematic timetable and follow it religiously from the very first day.
- ✓ Allow them to complete homework on their own under your guidance.

Wish you all a fun filled, safe and healthy holidays ahead!

# **ENGLISH**

- Encourage your child to read short stories in English. This will help them to learn new words and to develop reading habits. SUGGESTED READING
  - Pinocchio
  - ➤ The Ant and The Grasshopper
  - The Ugly Duckling
  - Little Red Riding Hood
- Involve your ward in Picture Reading. Try to tell as many interesting stories as possible that will improve his/her language and will enhance his/her vocabulary. Also encourage your ward to converse in English.
- Revise Grammar topics and work done in the notebook for the Cycle Test to be held after vacation.

# **CREATIVE WORK**

- As part of our English curriculum, we have assigned a fun and creative project for your child to work on during the holidays. The project involves creating a 3D model based on your child's roll number.
- Models:
  - Roll numbers 1 to 15 : Types of sentences. Some reference link <a href="https://youtu.be/jJIAOS85NUo?si=qJU7Nlnnwb1N-3j7">https://youtu.be/jJIAOS85NUo?si=qJU7Nlnnwb1N-3j7</a>

- Roll numbers 16 to 30: Antonyms and synonyms.

- Roll numbers 31 to 45 : Degree of adjectives. Some reference link <a href="https://pin.it/5tNq0OJpz">https://pin.it/5tNq0OJpz</a>

### • Instructions:

- 1. Please guide your child in creating the assigned 3D model.
- 2. Encourage creativity and attention to detail.
- 3. The model should be made using suitable materials (e.g., cardboard, clay, paper mache, etc.)
- This project is compulsory and marks will be awarded.
- The best models will be selected for the school's English Exhibition.

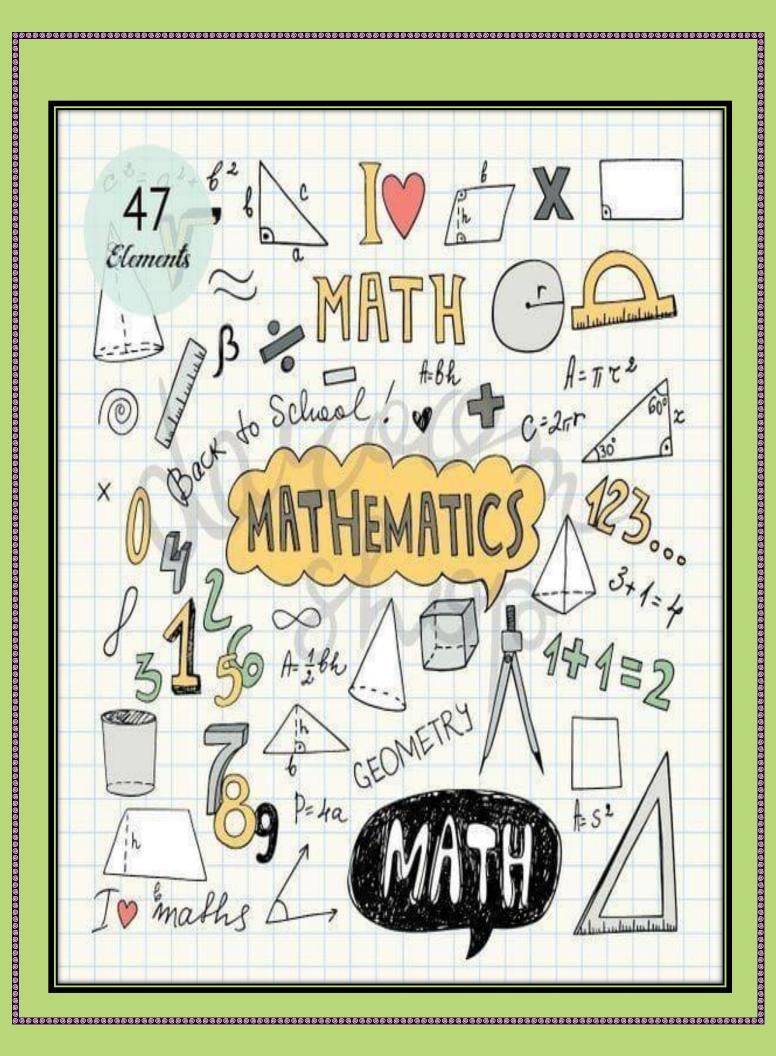

Please ensure your child submits their 3D model on the designated date after the holidays.

Summer is messy,
Summer is fun,
Trips to the beach,
In the hot, hot Sun,
Let's give summer,
A big fat cheer!
Summer is the best time of the year.

Dear Parent,

Children are born with natural curiosity and inquisitiveness about the world around them. It is important for us to help them keep this spark alive and to make learning fun.

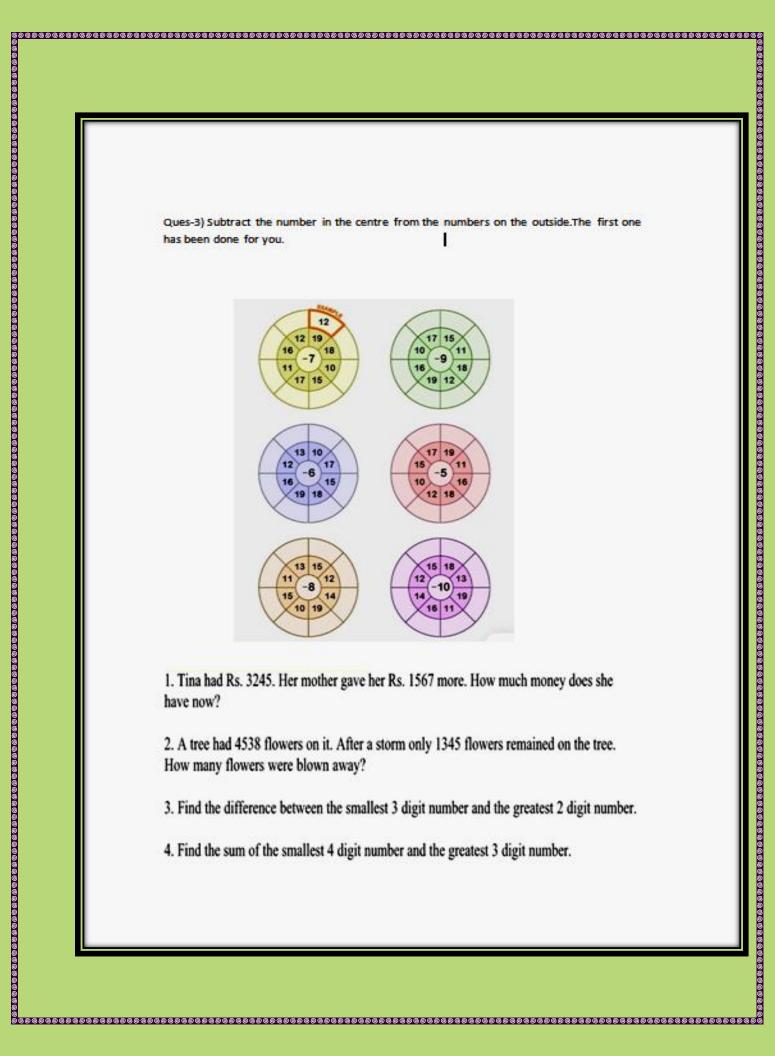

Summer Vacation is just round the corner, let every moment of this vacation be a time to unite, connect and enjoy beautiful moments with your child.

# **Creative work**

This summer, let's make learning Math more exciting!

Students are encouraged to observe, explore, and apply mathematical concepts in everyday life.

You have to make a project according to your given roll numbers. Come up with your own creative idea to enhance your work

Present your work neatly using drawings, pictures, cut-outs etc

Let your imagination and understanding of numbers shine through your project!

• Roll number -1 to 15 (Addition machine)

<u>https://pin.it/5lJCUf3y8</u> (kindly prefer this link to make your working model)

• Roll number- 15 to 30 (subtraction machine)

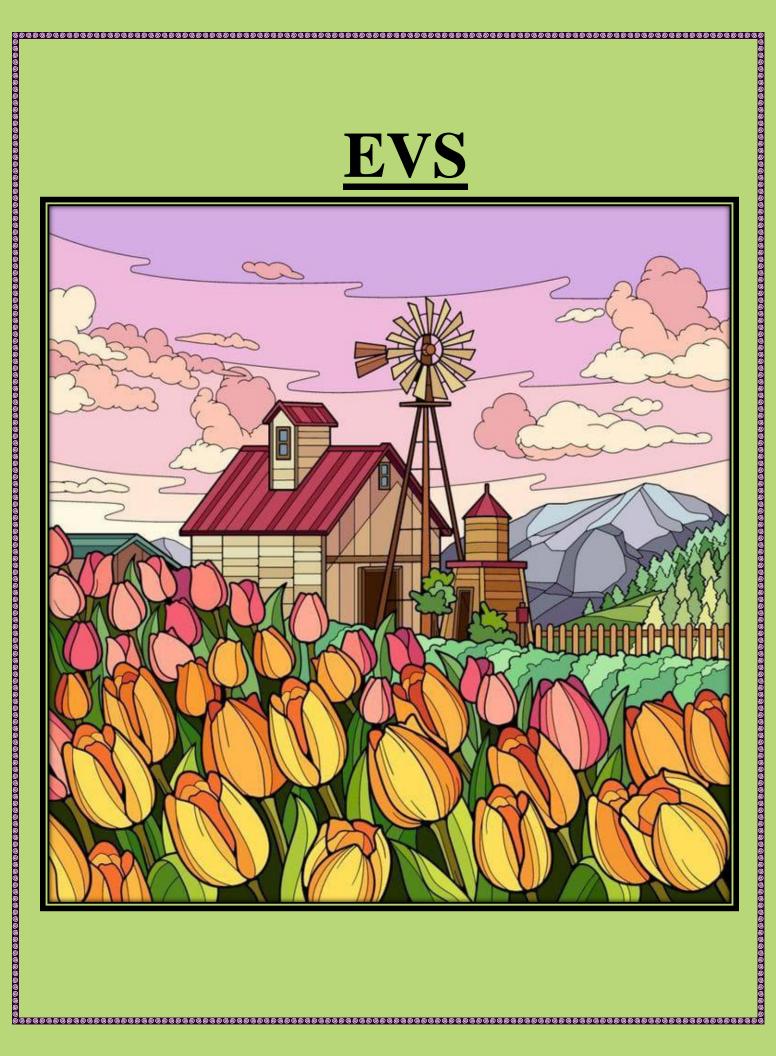

<u>https://pin.it/ifg80hocU</u> ( kindly prefer this link to make your working model)

• Roll number-31 to 45 (table learning machine)

<u>https://pin.it/BbNAo5VxP</u> (kindly prefer this link to make your working model)

# **ENVIRONMENTAL STUDIES**

- Learn and revise all the syllabus of CT 1 done till now.
- Encourage your ward to develop good manners.

### **CREATIVE WORK**

1. Project Title: "Eat, Chew, Hunt: Animal Eating Styles" (Roll no 1-15)

What to Make:

Create a shoebox-style diorama showing animal classification on the basis of food they eat (Use small toy animals, clay, cotton, sand, and leaves for detailing).

Add labels like "Crows feed on the flesh of dead animals," etc. Some reference link https://youtube.com/shorts/x\_yfaLiKZog?si=Cjaq0QCOX15GgBOF

2. Project Title: The Water Saver Village" - 3D Eco-Town (Roll no16-30)

A model of a town showing:

- Homes with rainwater harvesting.
- Kids brushing with a mug, not tap.
- School with a "Save Water" poster.
- Add real-life ideas students can do at home.

https://youtu.be/4CnpVvmPS\_A?si=FA0fH7G4mgdQrvtJ

3. Project Title: "Plants Around Us – 3D Model" (Roll No.31-45)

### What to Make:

A colorful 3D model using cardboard, clay, or craft materials showing types of plants (trees, shrubs, herbs, climbers, creepers).

Label each with names and examples.

Some reference link

### **Instructions:**

- 1. Please guide your child in creating the assigned 3D model.
- 2. Encourage creativity and attention to detail.
- 3. The model should be made using suitable materials (e.g., cardboard, clay, paper mache, etc.).
- This project is compulsory and marks will be awarded.
- The best models will be selected for the school's Science Exhibition.

Please ensure your child submits their 3D model on the designated date after the holidays.
